01 Metallics

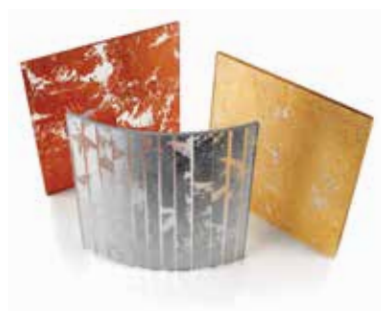

From silvers to golds, we can't get enough of metallics. They offer a sleek, luminous look that lends a shimmering richness and modern feel to any space.

Varia® Ecoresin® Gild Gold

Full Circle®

Tapping into the Craft of Indonesian Arts

The rich cultural heritage of art and handcraft drew us to Indonesia. In collaboration with local artisans from the rural Indonesian valley of Wonosobo, we created metallic foil designs to bring an old-world feel to Varia® Ecoresin®.

Subject of one or more US or international patents pending

Gild

Inspired by traditional gold foiling techniques, Gild has an organic appearance with dramatic patterning.

Finishes & Formulas

Varia® Ecoresin® Finishes

Grid

Velvet

Grain

Integration of new finishes and color combinations for materials give designers and architects an expanded toolkit to create a customized signature in their projects.

Three new surface finishes expand on the aesthetic possibilities for Varia® Ecoresin®. Select a finish to realize your vision from the subtle Grid, the organic look of Grain, or the expressive Velvet.

Formulas

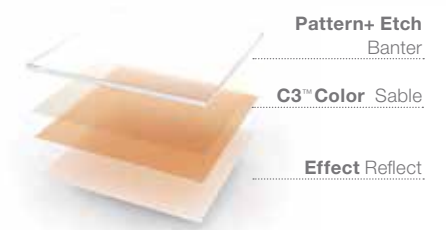

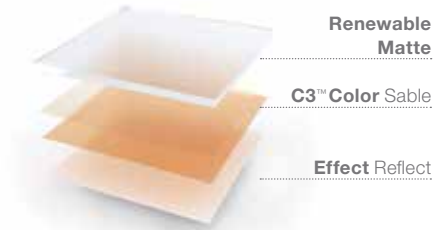

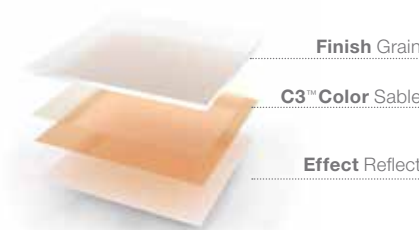

Varia® Ecoresin®

Chroma®

Pressed Glass

Each metallic color has a unique layered formula that starts with an effect applied to the back of the material, a layer of transparent custom C3 Color films to match the desired metallic hue, and topped with a finish for an added effect.

04 Woods

Our next generation of Woods achieve optical movement through layering of pattern not seen before in Varia® Ecoresin®.

Varia® Ecoresin® Stroll Grey Oak

Barque

Varia® Ecoresin®

The texture of Barque evokes the surface of an angular and modern tree trunk. The placement of wood pattern on the surface of Varia® Ecoresin® adds an unexpected, optical effect.

Breakthrough Products

From materials that break the mold, to hardware solutions that simplify installations, to one-stop solutions that provide instant design possibilities, 3form has created a breadth and depth of offerings that make the connection from inspiration to installation seamless and uniquely yours.

Committed People

3form employees are a passionate, dedicated, and knowledgeable group ready to assist you with simple design specification, as well as the most complex custom design solutions. Our cross-functional team of trained architects, material engineers, and project experts, familiar with the unique properties of 3form materials, will realize and expand your innovative vision.

Better Planet

Exceeding industry expectations, 3form has distinctively aggressive goals for minimizing the impact of not only our products, but our processes. Our Path-to-Zero goals are a commitment to continually reducing our overall environmental footprint toward the ultimate goal of total sustainability.
